

LEADERSHIP

- What new forms of leadership need to be created or emerge/ come forward?
- How can NZ create & sustain itself as a spiritual world leader?
- How do we define/ qualify "spiritual" as an inter-cultural / inter-generation/ inter-faith concept?

- What would we do tomorrow if our non-renewable energy resources ran out?
- How do we eliminate double handling?
- How can we become less interdependent with our communities?
- What do we need to do to eat premium NZ grown food 100% of the time?

UPLIFTING & SUPPORTING

- Who has the greatest influence on the stability of the family?
- What will maintain family stability?
- What can society or the community do to help keep families together?

RESPONSIBILITY

- What do you have that if you didn't have, you would think it more important than what you've put up as most important?
eg: health; health of your family or loved ones.
- What does "trade off" mean in relation to what you want?
- How can we find diverse & innovative solutions to support diverse "good things"?
